1011 in 2011! Arizona List Membership Drive

Summer is heating up with political speculation across Arizona. While the IRC moves closer to a first draft of Arizona's new political districts, prospective candidates are forming support networks and building their war chests to launch campaigns come 2012.

Arizona List is watching.

We're talking to the men and women in Arizona. They have concerns for their neighborhoods, their children's education, and healthcare for themselves and their daughters.

Arizona List is building a war chest of our own. We're securing strong, viable pro-choice women to run for office. We're training staff to be ready to manage effective campaigns.

Here's where we need your help.

A crucial part of Arizona List's success lies with the strong support of our membership. Our members allow us to:

- Pursue our ongoing work of finding, training and electing pro-choice Democratic women to office
- Help us fundraise directly into the Arizona List PAC – the only Super-PAC in Arizona that elects pro-choice Democratic women
- Spread the messages of our endorsed candidates
- Provide a support network for our candidates and elected officials

The 2012 election cycle has begun and Arizona List is leading the pack. Right now we are 852 members strong. Our 2011 goal is to reach 1011 members.

We have 6 months to bring in 160 new members. I know that there are 160 Arizonan's who care as fiercely about women's right as I do and who have the capacity to give to Arizona List and our candidates.

Arizona List Inspired by EMILY's List Annual Conference!

"I am so grateful to have had the opportunity to attend the 2011 Emily's List conference. As an intern, this conference allowed me to experience the power of women on a national scale while reaffirming Arizona List's valiant efforts in our state. I was so inspired to meet such influential public figures and attend informative talks. After attending this conference, I am now certain that I want to dedicate my life to the election of strong Democratic women. I will continue Arizona List's fight for increased female representation and work to elect officials that honor our core values. Thank you so much for this life-changing opportunity!"

Arizona List Spends the Afternoon with Ellen Malcolm!

Last month, Arizona List members had the opportunity to spend an afternoon barbecuing with EMILY's List founder Ellen Malcolm at her ranch in Southern Arizona. Here's what they had to say:

It was a great day with everyone. I am very happy that I was invited and that I made the decision to go! Ellen was great and I learned a lot. Thank you for a great afternoon!

- Susan Butler, Arizona List Leadership Council member

Many thanks for organizing the event. It was such a treat to get to visit with Ellen and hear stories early candidates, fundraising, and future (well-planned and highly-expected) successes!

- Katherine Jacobson, Arizona List Leadership Council member

Thank You to our Members

As always, Arizona List wants to say THANK YOU to our members and your continuing support.

In May, your contribution help to pay for 65 men and women to be a part of our Arizona List / EMILY's List Campaign staff training. We're working hard to ensure that we have well trained knowledgeable staff members to put to work for our Arizona List endorsed candidates in 2012!

Without you, we could not continue to fight for women and families across Arizona.

Thank you for keeping us strong!

Sincerely,

Pam Grissom
Board Chair
